

IL CAVALLO ROSSO

Cherne's Host Annual FCA RMR Picnic

After months of planning, Peter Taylor pulled off another amazing annual picnic for the FCA RMR.

This year, there was a change in venue to Bailey, CO to the magnificent mountain estate of Tricia and Andy Cherne.

Space for the picnic was limited to 100 people and 100 people did make reservations. The parking lots were crammed with lots of "dancing ponies".

After sharing drinks and appetizers overlooking the Cherne's mountain top view,

everyone gathered under a tent to be served a delicious

buffet by John Schenk Catering Company. People dined on American Kobe beef, grilled salmon, peach grilled chicken

and numerous side dishes.

There must have been something in the cool mountaintop air, because several members were inspired to put on an impromptu song and dance celebration for the amused onlookers.

After feasting and enjoying the music provided by Nick Bechir, members reluctantly made their way back down to their homes in Denver and Colorado Springs while offering their thanks to the Chernes and Taylors for putting on "An Affair to Remember".

THE
MORGAN ADAMS

CONCOURS D'ELEGANCE

Dear Friends,

I would like to introduce to you the Morgan Adams Foundation and its diligent efforts to aid in funding pediatric cancer research. The Foundation's *Concours d'Elegance* is one of the region's finest charity events. The ninth annual event will take place this August at Centennial Airport, hosting some of the Rocky Mountain region's finest collection of aircraft, automobiles and motorcycles.

The first eight years of this event have witnessed sell-out crowds and exceptional generosity amounting to over \$1,100,000 in grants for pediatric cancer research being conducted at The Children's Hospital in Denver and at other exceptional pediatric research facilities across the country.

The 2011 event will be on August 27st at Centennial's TAC Air and Qwest hangars - against the picturesque backdrop of a Rocky Mountain sunset. Guests will enjoy a vibrant happy hour surrounded by a beautiful arrangement of choice modern and rare vintage aircraft and automobiles. It will be in this atmosphere that the Morgan Adams Concours guests will have the opportunity to bid on select items and packages in our silent and exciting live auctions.

As a volunteer with the 2011 Morgan Adams Concours d'Elegance, I am seeking items for the live and silent auctions that cater to our attendees. A variety entertainment, food and beverage, art, recreation and travel items are being sought. This year we hope to exceed last year's success of an event to fundraise \$200,000.

WE HOPE YOU WILL CONSIDER SUPPORTING THE IMPORTANT PEDIATRIC CANCER RESEARCH BEING CONDUCTED BY MAKING A DONATION TO THE MORGAN ADAMS CONCOURS D'ELEGANCE AUCTION.

If you choose to make a donation of merchandise or a gift certificate, please record your donation on the "Auction Item Donation/Gift-In-Kind" form and return to the listed address below. The donation form can be found on our website or by calling me directly. Thank you for your time and consideration of this request; please call or email me with any questions you may have. A Message from John Babos FCA-RMR President

Our summer activities are in full stride with events and activities filling the calendar. Our major summer event, the FCARMR Annual Picnic was once again great. I want to thank everyone for making it such a success. I want to send a special thanks to Andy and Tricia Cherne for hosting our club at their beautiful estate in Pine Colorado. Over 100 members and guest enjoyed the setting, the food, the drinks, the music, the weather, and each other as Peter Taylor's planning set a new benchmark for upcoming picnics. Thank you Peter and thank you Marian for allowing Peter to do this. I threw together a few clips and photos of the picnic and placed them on "You Tube." Search on **The FCA RMR Annual Picnic 2011** in the You Tube Search Box. And since you're in You Tube you can also see Cyrus Rajabi, our web master, and me rappel off of a 30 story building for charity. Search on **John and Cy Go Over the Edge.**

We also had a great turnout to see, for the last time before it goes to auction, Terry Johnson's antique model trains. His train layout is the largest in the country and as such quite spectacular. Thanks again Terry.

Coming up on August 13th will be the first, at least as far as I can tell, brewery tour for our club. This event is the brainchild of Kent Miller and I mention this to hopefully spawn any ideas for events that you may have. Just give me some information and provide a little help and I'll try to get it on the calendar.

And here it is, our first softcopy newsletter. Thank you Robbie. This will save the club a significant amount of money no longer required for postage and paper. Tell us what you think.

So as we prepare for the annual pasta party, I believe the 25th that Bill and Myrla have hosted, followed by the Morgan Adams Concourse and then the Fall Foliage Tour, thank you all again for the fantastic support.

Thank You
John J. Babos
